Early Childhood Education Careers Curriculum

Goals

The student will gain personal and technical skills and knowledge needed for entry level employment in child care related occupations or post secondary education or training.

Objectives:

The student will...

- 1) Apply appropriate skills necessary for an entry level child care position;
- 2) Demonstrate the ability to utilize effective skills in communications and human relations;
- 3) Utilize knowledge in managing personal resources, evaluating situations, and decision making;
- 4) Utilize knowledge and skills for safe living and working conditions;
- 5) Apply managerial and economic skills to occupational and child care service positions;
- 6) Explore vocational and post-secondary education options that will satisfy individual abilities, skills, and interests.

Experience

Qualifying advanced students can apply for internships in local child care centers, preschools, and elementary schools. Students may also apply for the cooperative education program to gain experience, earn course credit, and earn money.

Post-Secondary Training and Education

- TECTA Training - Tennessee Early Childhood Training Alliance
- CDA Credential - Child Development Associate, a national credential
- Walters State Community College will offer college credit for qualifying students

Certificate

A certificate from the Center for Technology is awarded to each student earning 4 credits.

K.I.D. S.I.T.

Kids in Development, Students in Training (K.I.D. S.I.T.) is a Parents Morning Out Program designed to give 2nd and 3rd term students hands-on opportunities to work with children from 3 months to 4 years of age. This setting simulates a day care setting and provides child care 3 mornings a week.

Family, Career and Community Leaders of America, Inc.

Family, Career and Community Leaders of America, Inc. is a nonprofit student organization of young men and women with family and consumer sciences education through grade 12.

Family & Consumer Science

Provides:

1. Leadership skills through club offices and class involvement.
2. Opportunities for active participation at local, state, and regional levels.
3. Participation in competitive events.
4. Opportunities to participate in projects and activities.
