Doorstep Gardens to be Given Away May 4th!

Our Rural Resources project coordinator, Amanda Riguell, will be here after school on Monday, May 4th, to distribute doorstep gardens for TVAP families to take home. Students still remember planting these with their parents last year and enjoyed watching their gardens grow.

We're all looking forward to these gardens. We owe a big "Thank You" to Amanda for arranging this, and to Rural Resources, who came through with this project even after the devastating fire at their farm. It's great to have such a dedicated program for our students. Please remember to support them in their rebuilding efforts.

Account Balances Due!

If you have an outstanding balance at TVAP, it needs to be paid immediately. We also ask that everyone have their statements for the month of May paid in full by May 21st before school lets out for summer. We appreciate your cooperation.

Unpaid balances will be sent to collections.
